

Merry Christmas

high
HOPES

Make a Difference This Christmas

High Hopes is thrilled to share that we have successfully helped hundreds of individuals with traumatic brain injuries reclaim their lives. Witnessing these miracles has been an incredible experience for us. We are grateful for your unwavering support in making this possible.

As the first private non-profit charitable organization exclusively serving the needs of the brain-injured community, High Hopes is committed to providing unparalleled services with exceptional results. Our goal is to help as many individuals as possible, especially considering that over 44,000 people sustain brain injuries and strokes in California alone each year.

We humbly ask for your continued support in making our mission a reality. Your donations have enabled us to help hundreds of people and we aim to help many more. We are blessed to have supporters like you who are willing to contribute to our cause. This year, we are seeking your support to help the students in our program. Please consider completing the enclosed donation card in order to change lives with us today.

Thank you for being a part of our journey and we wish you a Merry Christmas!

Sincerely,
Mark J. Desmond, M.A.
CEO/Instructor
